ANTHONY replied, "I'm not really sure. everyone I sold it [drugs] to said something about it, like it [drugs] melted easy, it was oily." COLON said, "Because it's humid, if that s**t [drugs] will melt if it's in your car." ANTHONY replied,

“Everything was fine cause it [drugs] was in the house and it was still doing it.” COLON said, “How much did you sell of it [drugs]? How much have you got of it?” ANTHONY replied, “Nothing.” COLON said, “So where’s it [drugs] at?” ANTHONY replied, “It [drugs] would literally melt.” COLON said, “So you didn’t sell none [drugs]? You ain’t got none?” ANTHONY replied, “I was embarrassed. I went to him [RONDON] and told him the story.” COLON said, “Where is at?” ANTHONY replied, “If you took it out it [drugs] would literally melt on the table.” COLON said, “Where’s the bag with the melted s**t [drugs]? Somebody gotta pay me my money [drug proceeds].” ANTHONY replied, “It’s not a bag.” COLON said, “So this s**t [drugs] just melted into thin air? So this is the one I got, I gave that s**t to Joel [RONDON], he got that from me, so if his s**t melted all of my s**t [drugs] would have melted.” ANTHONY replied, “So what was that altered with [cutting agent] then is the only conclusion I can come to. Slim [WATTS] done seen it, Flaco seen it, Carlos and Habib all seen it . . . then people I sold it [drugs] to, what the f**k is that s**t when they try it. Where did you get that from they played you dirty [gave bad drugs]?” COLON said, “Somebody got to get me my money.” ANTHONY replied, “What the f**k is going on here, he think I’m stupid or he mad at me?” COLON said, “yeah, that n***a owes me money [RONDON owes COLON drug proceeds]. I’m waiting over there and he [RONDON] says Sydney [ANTHONY] keeps f***ing up the package [drugs]. ANTHONY replied, “He gave me 20 [grams of drugs] to replace the other bag and it literally weighed 14.74 [grams] in the bag so that mean there’s only 13, so I said where’s the r of it, and he said I’ll give the other seven [7 grams] and that was last week.” COLON said, “So how much did you take him back?” ANTHONY replied, “12 I believe.” COLON said, “So the thing is . . .” ANTHONY replied, “He was going to give me 20 to replace, I didn’t even ask for that which tells me something was wrong and he should be fixing it.” COLON said, “He [RONDON] told

me you brought back 10 grams and he gave you 10 grams [of drugs] and you asked where's the rest of it? What do you mean where's the rest of it?" ANTHONY replied, "Are you with him? COLON said, "No, I had to pull off and pick up [A.V.]." ANTHONY replied, "Why didn't he tell you the story of what happened then he tried to hand me something that I knew wasn't 20 G's [grams]." ANTHONY said, "Wait, why did you tell me to bring it back though?" RONDON replied, "You told me it [drugs] melted, I said what you got left, you said 10 [grams], you brought it back to me, I told it's hot, when I gave you the first one I gave you 20 [grams]." ANTHONY said, "Why did you have to replace it for me though?" RONDON replied, "I told you to bring it back because I had enough, so when I gave the other one which was 20 [grams] I didn't have to give you that, I'm looking out for you." ANTHONY said, "It was not 20 remember?" RONDON replied, "I know it was 14 [grams], I know what I gave you." ANTHONY said, "In the bag it weighed that, and you told me it was 20 [grams] . . . so you even told me it was 20." RONDON replied, "No that's all I had and I told you I'd take care of the rest of them, but I replace your first one . . . it's humid, I told you this." ANTHONY said, "I do put it in the fridge." RONDON replied, "When it gets like that, you're over talking, some I'm going to replace it, so I gave you 14 [grams], then when I called you, you're still going to have to pay [drug proceeds] for that because that s**t's coming out of my s**t." ANTHONY said, "I never said that I wasn't though." RONDON replied, "I gave you 28 [grams] first . . . I damn near gave you and ounce and a half [of drugs] bro." ANTHONY said, "Joel, no what you first gave me."

RONDON replied, "You brought it back to me, I even got rid of the old s**t [old drugs] she brought me back 10 [grams]." ANTHONY said, "So you're trying to tell me there's nothing wrong with that bag?" ANTHONY said, "I've never played it like that." COLON replied, "Let me talk, so he gave you an ounce [of drugs]?" ANTHONY replied, "Yes." COLON replied, "So you brought back him 10 grams back so you sold 18 grams of that ounce [of drugs]?" ANTHONY said, "No I didn't, I told him that s**t was melted that s**t was like ruined." COLON replied, "I don't care what the f**k y'all do but one of y'all got to figure out who's going to pay me my money [drug proceeds] because I've been waiting long enough, Joel [RONDON] gave it to you, you got to handle that business whatever you got to do with her [ANTHONY], but I know I need my money [drug proceeds]."
